Following the success of the inaugural Congress, the **Tanzania Oil & Gas Congress** returns for a second year with the support of the **Ministry of Energy, TPDC, PURA** and **EWURA**, and with the participation of **key government bodies**.

Focusing on the **latest project updates and developments** in the oil and gas industry in Tanzania, this is the official platform **promoting government and industry collaboration**. The Ministry, TPDC and other parastatals will be sending delegations to meet and engage with all the **key industry players** to discuss new opportunities for partnerships and investment.

Join us at the Congress to discover the full range of **business opportunities** and **benefits** that oil and gas developments will bring to the local economy, and how your company can harness these prospects by **connecting with both local and international industry players**.

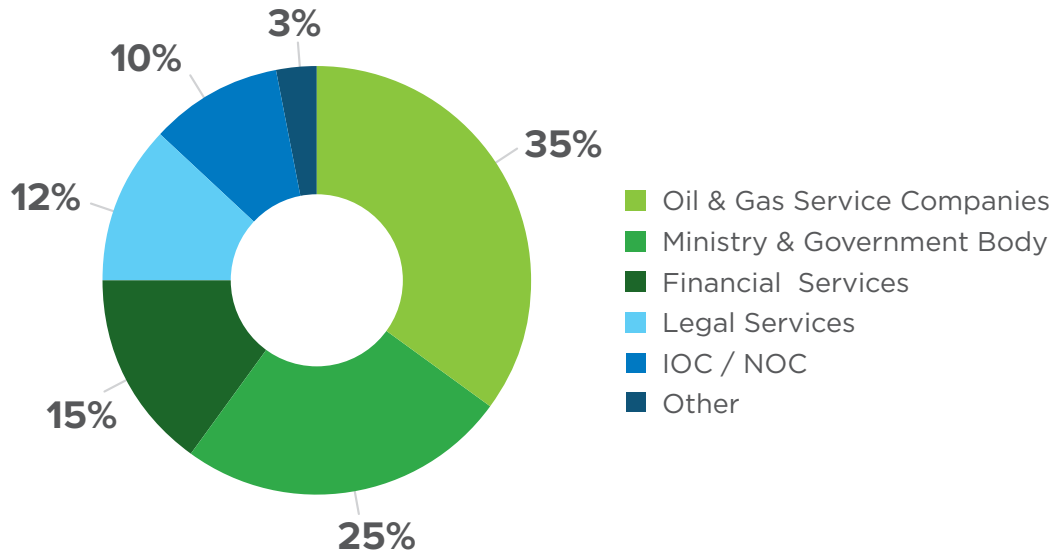

Key Benefits of Attending the Official Congress

-  Find out about the **latest project updates and developments** in Tanzania's oil and gas sector
-  Discover **business opportunities** opening up around the **East-African pipeline**
-  **Meet with senior government officials and key industry players** to drive Tanzania's energy sector forward
-  Establish **new partnerships** with internationals and local industry players

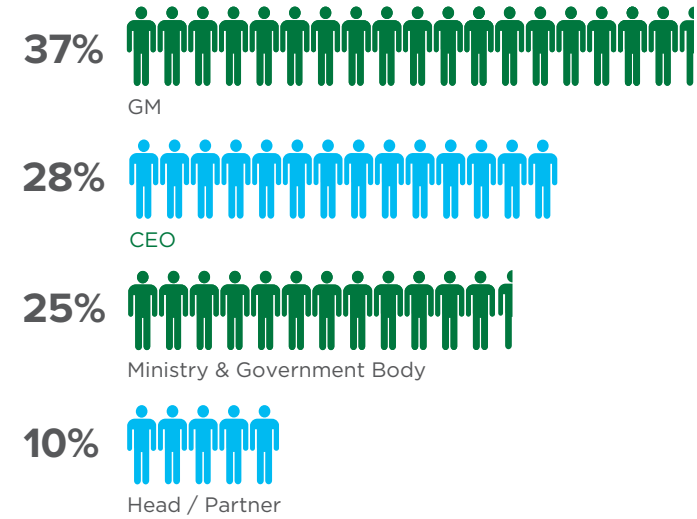

"TPDC is delighted to once again fully endorse the Tanzania Oil & Gas Congress. The Congress is the most established oil and gas event in Tanzania and TPDC is looking forward to actively participate in the discussions, meet with investors and establish strategic partnerships."

Eng. Kapuulya Musomba
Acting Managing Director
Tanzania Petroleum Development Corporation (TPDC)

Meet With the Entire Oil & Gas Value Chain
